

CUMULATIVE INDEX**1948–2008****Journal Numbers 1-226 (Volumes 1-58/1)****Compiled by****Alan R. Drysdall and Cliff Wheatley****MEETINGS**

Notices of meetings are not included in the following listing. It is often possible to extract from reports of meetings a meaningful reference to a topic and this is included in the Subject Index, but other reports are too generalised. Annual Conference reports are in a different category as they include papers relating to specific topics which are listed in both the Subject and Author Indexes.
