

1905 Victoria Falls Stamps on Postcards

The Alpha and The Omega

Undivided picture postcard sent to Mr F. W. Cooper of Port Elizabeth in Cape Colony, bearing a 1d duty 1905 Victoria Falls stamp cancelled by the British Association cancel at Victoria Falls on 13th September 1905, the day after the Bridge over the Zambesi River was opened. There is an arrival stamp dated September 19th alongside.

The picture on the card is published by E. Peters of Cape Town and is No. 5 in a series. The picture shows **"Blondin crossing the Zambesi"** and is a fascinating card because the picture shows the beginnings of the construction of The Bridge which was posted the day after the official opening of The Bridge.
