

Two used blocks of the 2d Rhodesia Double Head

This is a most unappreciated duty amongst the bi-coloured values of the Double Heads. These two used blocks are but a sample of what can be collected. The first, RSC 'K', perf. 14, cancelled MACHEKE 24 MAR 14. Positions 36,37,41,41. The second, is RSC 'K' or 'F' a 'No Gash' Printing; positions 12,13, 17, 18 with a BUSHTICK cancel 15 APR 1914.
