

# **RHODESIAN STUDY CIRCLE**

## **May 2025 AUCTION**

### **CLOSING DATE**

**2<sup>nd</sup> June 2025**

**Lot 106**

**PAYMENT MAY BE MADE BY CHEQUE,  
ELECTRONIC BANK TRANSFER OR PAYPAL.  
DETAILS TO BE PROVIDED WITH INVOICES**

**AUCTION RULES**

1. All lots are described as accurately as possible, but the descriptions are the opinions of either the Auctioneer or the Vendor. Each description is not intended to be, is not, and is not to be taken to be, a statement of fact or representation of fact.
2. Neither the Auctioneer nor the Vendors shall give any Warranty to any Purchaser or be liable for any fault or error of description. However, if after the sale, the Purchaser of the lot shall prove it is not genuine or authentic, or was wrongly described, the Purchaser may return the lot, providing notice is given in writing within 7 days in the case of a buyer in the UK, and 14 days in the case of an overseas buyer, of the date of receipt of the lot concerned.
3. The Auctioneer reserves the right before and during a sale to group together lots belonging to the same Vendor, to split up and to withdraw any lot or lots at the Auctioneer's discretion and without giving any reason in any case.
4. The Auctioneer acts as agent only and therefore shall not be liable for any default of the Purchaser or Vendor.
5. The symbols used for descriptive purposes are: UMM - Unmounted Mint; Pmk - Postmark.
6. Catalogues, etc., most frequently referred to are: -SG - Stanley Gibbons; RSC - Rhodesian Stamp Catalogue; ZCC - Zimbabwe Colour Catalogue; H & G - Higgins & Gage Postal Stationary Catalogue; H&L - Hoyte & Lashbrook's "South of the Zambezi"; NoZ - Hoyte "North of the Zambesi"
7. Lots are sold at one bidding step above the second highest bid. All lots have a reserve that in most cases has been set by the Vendor, hence the occasional anomalies where identical lots have different reserves.
8. The highest bidder for each lot shall be the purchaser, subject to any reserve price set by the Vendor.
9. The bidding and advances shall be regulated by and at the discretion of the Auctioneer, who has the right to refuse any bid or bids.
10. Bids should be made in accordance with the following bidding steps: -
 

|                      |                    |                    |
|----------------------|--------------------|--------------------|
| Up to £10 - 50p      | £11 to £20 - £1    | £21 to £50 - £2    |
| £52 to £100 - £5     | £105 to £300 - £10 | £310 to £600 - £25 |
| £625 to £1,000 - £50 | over £1,050 - £100 |                    |
11. Bids that are not in accordance with these steps will be rounded downwards.
12. Rolling bids nor "Buy" bids are accepted.
13. If two or more identical bids are made for the same lot, the one posted first will be accepted.
14. In the event of a dispute arising as to the highest bidder, the Auctioneer shall have discretion to determine the dispute and resell the lot concerned.
15. Full payment, including insurance, postage and packing as charged, is to be made immediately upon receipt of the invoice. There is no buyer's premium. Cheques should be drawn on a British Bank made payable in sterling in favour of The Rhodesian Study Circle and not individual Officers. If for any reason this is not possible £10.00 must be added to the total to cover bank charges. **Credit cards - Visa, MasterCard or American Express are no longer acceptable. Payments can be made by electronic bank transfer and through PayPal, details of which will be included in statements to winning bidders.**
16. Lots will only be dispatched after payment has been cleared.
17. **Lots will be dispatched by First Class Mail at a cost to be borne by the purchaser. The Auctioneer will offer the purchaser the opportunity to elect to pay for Recorded Mail or other available services for purchases more than £25. It should be noted that ordinary recorded (Signed For) delivery only covers compensation for the value of goods up to £25 for UK buyers. For UK delivery the Post Office offers Next Day Delivery with compensation for loss is up to £500. For International buyers, there is an additional cost to normal postage, with compensation available for non-delivery of £25, unless higher insurance is taken out. Note the Post Office will not guarantee compensation for some destinations. The Auctioneer will advise on costs when invoicing for successful bids. Subject to change.**
18. **The RSC does not hold itself liable for loss in the post, so long as the goods are dispatched in accordance with buyer's instructions/payment received.**
19. Vendors will be charged 10% commission and will only be paid sold lots have been paid for and any returned lots have been accepted by the Auctioneer.

**The submission of lots for sale or a bid or bids shall be taken as acceptance of these rules.**

**Notes for Vendors**

- a. Lots containing less than 20 stamps must be supplied on a standard (6" x 4") three-row stock card.
- b. Album leaves shall be put in a protective envelope.
- c. Postal history/postal stationary items should be put in a protective envelope.
- d. All lots should be fully described, although amendments or abbreviations may be made at the Auctioneer's discretion.
- e. **Vendors submitted lists must be typed.**
- f. All lots should be numbered and cross-referenced with the description.
- g. Lots will not be accepted without a vendor's reserve in whole pounds.
- h. Vendors may be charged commission on any lots withdrawn from sale after catalogue has been finalised.
- i. All unsold lots will be returned to UK vendors at the end of the sale. If vendors wish to re-submit, they may do so, but the reserve/estimate must be adjusted downwards. Lots can only be resubmitted once.
- j. Unsold lots will not be returned to overseas vendors, unless the Auctioneer is specifically requested to do so, but will be re-entered in the next available auction at a reserve of 15% less. If material fails to sell after two auctions, it will be returned.
- k. Vendors are asked to make their minimum reserve of £3.
- l. Members wishing to send a large consignment of lots should contact the Auctioneer first.

VENDORS MUST CONTACT THE AUCTIONEER, HUW WILLIAMS, IMMEDIATELY ON POSTING THE LOTS FOR AUCTION.

ALL AUCTION LOTS TO BE POSTED TO: **SEMAH, MAIN STREET, HANWORTH, MIDDLESEX, TW13 6SU. UNITED KINGDOM**

| 3                                                        | 1892 | Early Arms: Four Pence top marginal block of four mounted mint. All stamps are hinged. SG 22. Cat £192. (Ex Wilson).                                                                                | £40.00  |
| 4                                                        | 1892 | Early Arms: Eight Pence block of eight with BULAWAYO Month (No Day) (SC) postmark. SG 23. Cat £208. (Ex Wilson).                                                                                    | £45.00  |
| 5                                                        | 1892 | Early Arms: Eight Pence block of six mounted mint. All stamps are hinged and has a small gum crease. SG 24. Cat £102. (Ex Wilson).                                                                  | £30.00  |
| 6                                                        | 1892 | Early Arms: Eight Pence bottom left marginal block of four with 'No dots' mounted mint. Three stamps are hinged, one is unmounted mint. (Has a couple of toned spots). SG 24. Cat £68. (Ex Wilson). | £12.00  |
| 7                                                        | 1892 | Early Arms: Eight Pence block of four with SALISBURY Mashonaland (SC) postmark. SG 24. Cat £120. (Ex Wilson).                                                                                       | £30.00  |
| 8                                                        | 1892 | Early Arms: One Shilling block of four with 'No dots' mounted mint. Top stamps are unmounted mint. SG 4. Cat £220. (Ex Wilson).                                                                     | £55.00  |
| 9                                                        | 1892 | Early Arms: Two Shillings vertical pair mounted mint. (Bottom stamp has a pulled perf). SG 5. Cat £150. (Ex Wilson).                                                                                | £30.00  |
| 10                                                       | 1892 | Early Arms: Two Shillings block of four with WT watermark mounted mint. (Bottom left stamp has pulled perfs). SG 5. Cat £300. (Ex Wilson).                                                          | £70.00  |
| 11                                                       | 1892 | Early Arms: Two Shillings and Six Pence top right marginal pair unmounted mint. SG 6. Cat £110. (Ex Wilson).                                                                                        | £35.00  |
| 12                                                       | 1892 | Early Arms: Four Shillings top marginal block of four mounted mint. SG 26. Cat £320. (Ex Wilson).                                                                                                   | £80.00  |
| 13                                                       | 1892 | Early Arms: Four Shillings top right marginal block of four unmounted mint. SG 26. Cat £320+. (Ex Wilson).                                                                                          | £100.00 |
| 14                                                       | 1892 | Early Arms: Four Shillings top left marginal block of four unmounted mint. (Hinged in margin). SG 26. Cat £320+. (Ex Wilson).                                                                       | £90.00  |
| 15                                                       | 1895 | Early Arms: Two and Four Pence mounted mint. SG 27/28. Cat £70.                                                                                                                                     | £30.00  |
| 16                                                       | 1895 | Early Arms: Album page with Perkins Two Pence. Four x mint and Seven x used including a (Bulawayo) Matabeleland in purple postmark and a couple Broken final E flaws. SG 27. Cat £308. (Ex Wilson). | £60.00  |
| 17                                                       | 1895 | Early Arms: Album page with Perkins Four Pence. Seven x mint (including strip of three) and Eight x used including a block of four. SG 28. Cat £435+. (Ex Wilson).                                  | £90.00  |
| 18                                                       | 1895 | Matabele Rebellion: One Penny on Three Pence mounted mint. (Certified on rear). SG 51. Cat £650.                                                                                                    | £300.00 |
| 19                                                       | 1896 | Cape overprint: One Shilling used with a Barred 679 (TATI) postmark. SG 64. Cat £150.                                                                                                               | £70.00  |
| 20                                                       | 1897 | Large Arms: One Pound commercially used with flaw and printer's mark. SG 73. Cat £225. (Ex Wilson).                                                                                                 | £60.00  |

|    |      |                                                                                                                                                                                                                                                                                                                                                                                                                                             |         |
|----|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| 21 | 1905 | Falls: Page with complete set (one hinge mark only), extra One Penny perf 15 (heavy hinge) and Five Pence with 'Bird in Tree' (Toned on rear and perfs). Also, two other stamps not counted as they have faults. SG 94/99. Cat £575++.                                                                                                                                                                                                      | £100.00 |
| 22 | 1905 | Falls: One Penny perf 14 left marginal strip of six with upper and lower margin. Still with full gum. Has three partial BULAWAYO strikes. This strike is not a remainder strike. (Auctioneers comment this strike is trying to be a Type 7w. There are known forgeries listed in South of the Zambesi). Strip has a small thin on top stamp and a thin going from margin onto fourth stamp. Also has some aging/tone marks. SG 94. Cat £45. | £15.00  |
| 23 | 1905 | Falls: Five Pence perf 15 with 'Bird in Tree' mounted mint. SG 96a. Cat £225.                                                                                                                                                                                                                                                                                                                                                               | £90.00  |
| 24 | 1905 | Falls: One Shilling perf 14 unmounted mint. SG 97. Cat £55.                                                                                                                                                                                                                                                                                                                                                                                 | £25.00  |
| 25 | 1905 | Falls: Two Shillings and Six Pence perf 14 right marginal with unmounted mint. SG 98. With positional flaws would be considered scarce.                                                                                                                                                                                                                                                                                  | £35.00  |
| 149 | 1913 | Admiral: Die II Eight Pence Violet and Green perf 15 used. (Has some colour run). SG 246. Cat £170. (Ex Wilson).                                                                                                                                                                                                                                                                                                                                                                   | £20.00  |
| 150 | 1913 | Admiral: Die II Two Shillings Plate 4 State 2 Grey Black and Light Brown with printer's mark at lower right, position 37 used. 235. Has some nibbed and missing perfs at left and top. Note: This copy shows texture/shading in the value tablets which, according to the Admirals handbook, it should not. This copy also shows the base of the portrait on the reverse, which it also shouldn't, if tagged as Ref 6. However, it is the closest to Ref 6 (B). Rated very scarce. | £55.00  |
| 151 | 1913 | Admiral: Die II Five Shillings Deep Blue and Blue Green Plate 5 State 2 Hand Painted pair used. SG 239. Cat £220. (Ex Wilson).                                                                                                                                                                                                                                                                                                                                                     | £60.00  |
| 152 | 1913 | Admiral: Die IIIA Three Shillings Plate 3R State 1 Chocolate and Steel Blue file copy punched hole top right marginal block of six with no gum. Hinged in margins. Showing 'Beta' flaw on two stamps where the punched hole doesn't intrude. Requisition NO 195502 15/10/1917 for 900 stamps. Mint, multiples are rated extremely rare.                                                                                                                                            | £220.00 |
| 153 | 1913 | Admiral: Die IIIA Five Shillings Prussian Blue and Dull Blue Green Plate 3R State 2 used. Much of the frame colour lending its Sea Green description has been washed out, plating stated can be determined by the spotty ink in the Rhodesia panel and the portrait inking. This printing is rated rare as used. SG 255o.                                                                                                                                                          | £40.00  |
| 154 | 1913 | Admiral: Die IIIA Five Shillings Prussian Blue and Dull Green used on partial piece. SG 255n. Cat £180. (Ex Wilson).                                                                                                                                                                                                                                                                                                                                                               | £40.00  |
| 155 | 1913 | Admiral: Die IIIB Two Pence Grey Black and Black Plate 10 State 1 showing the 'Collar' flaw position 10 used. SG 257.                                                                                                                                                                                                                                                                                                                                                              | £15.00  |
| 156 | 1913 | Admiral: Die IIIB Two Pence Black and Slate Purple Plate 12 left marginal block of four unmounted mint. Top right stamp has a dot below A of Rhodesia. SG 292. Cat £60. (Ex Wilson).                                                                                                                                                                                                                                                                                               | £30.00  |
| 157 | 1913 | Admiral: Die IIIB Three Pence 'Muddy Yellow' and Black block of four each with a small punch hole. On the rear of the stamps in pencil is written IX 27 and 37. With the other two stamps being 28 and 38. Has a right horizontal mark confirming plate. (Ex Wilson).                                                                                                                                                                                                              | £50.00  |
| 158 | 1913 | Admiral: Die IIIB Three Pence Black and Yellow bottom marginal pair mounted mint. (Written in pencil is Marandellas 19/8/20, where they were original purchased). SG 259. (Ex Wilson).                                                                                                                                                                                                                                                                                             | £40.00  |
| 159 | 1913 | Admiral: Die IIIB Four Pence Black and Orange block of four each with a small punch hole. On the rear of the stamps in pencil is written X 23 and 33. With the other two stamps being 24 and 34. Has a left horizontal mark, however this block is from Plate 8. (Ex Wilson).                                                                                                                                                                                                      | £50.00  |
| 160 | 1913 | Admiral: Die IIIB Six Pence Black and Dull Purple block of four Plate 8 State 1 unmounted mint. SG 265. Cat £100+. (Ex Wilson).                                                                                                                                                                                                                                                                                                                                                    | £45.00  |

|     |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |         |
|-----|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------|
| 161 | 1913 | Admiral: Die IIIB Eight Pence Blackish Lilac and Deep Bluish Green Plate 8 State 3 (1918) used. As noted in Admiral Handbook, this copy shows a smooth, stable ink in the frame, slight show-through of the portrait on the reverse. However, upon magnification of the portrait these is considerable thickening of the shoulder and lapel lines and a 'faux' Beta flaw (break) which doesn't resemble that found on the Die IIIA nor the Intruder. This would be a Pretender. Unusual. SG 268. | £10.00  |
| 162 | 1913 | Admiral: Die IIIB Eight Pence Plate 8 State 3 Blackish Lilac and Deep Bluish Green Slate Lilac with misalignment flaws, position 56 mounted mint. Rated common and with flaws, scarce. SG 267.                                                                                                                                                                                                                                                                                                   | £18.00  |
| 163 | 1913 | Admiral: Die IIIB One Shilling Plate 9 (later) Grey Black (course) and Seep Turquoise Blue ten fiscally used copies on piece. Two singles with second showing printers mark at upper left position 34. Two strips of four and two singles. Printing is considered somewhat unusual.                                                                                                                                                                                                              | £12.00  |
| 164 | 1913 | Admiral: Die IIIB Two Shillings Plate 10 State 2 Grey Black and Reddish Brown with 'Collar' flaw, position 10 mounted mint. Rated common and with flaws, scarce. SG 310. Rated common as mint and considered scarce with positional flaw.                                                                                                                                                                                                                                                        | £40.00  |
| 165 | 1913 | Admiral: Die IIIB Three Shillings Reddish Brown and Greenish Blue Plate 10 State 2 upper right corner marginal block of six with punched holes. Showing 'Collar flaw' on positions 10 & 20. Requisition 239443 7 November 1922 for 31000 stamps. No gum. Rated has not been established! SG 304.                                                                                                                                                                                                 | £180.00 |
| 166 | 1913 | Admiral: Card with nine Four Pence Die II stamps showing various Plate and States (1R-OP, Plate 5 known) used.                                                                                                                                                                                                                                                                                                                                                                                   | £20.00  |
| 167 | 1913 | Admiral: Card with eight Six Pence Die II stamps showing various Plate and States (1R-OP, Plate 5 known) used.                                                                                                                                                                                                                                                                                                                                                                                   | £20.00  |
| 168 | 1913 | Admiral: Small card with eight stamps which includes Two Shillings Die II, Die IIIA and Die IIIB and Two Shillings and Six Pence Die II and IIIB. Two of these are fiscals.                                                                                                                                                                                                                                                                                                                      | £30.00  |
| 169 | 1913 | Admiral: Album page with Die I and Die IIIB Four Pence singles and block with paper imperfections. (Paper crease, inclusion and Confetti flaw). Very nicely written up. (Ex Wilson).                                                                                                                                                                                                                                                                                                             | £50.00  |
| 170 | 1917 | Admiral Livingstone overprint: Pane D first overprint with 60 stamps with n n spaced and n y spaced flaws mounted mint. (Most are unmounted mint). SG 280, b, c. (Ex Wilson).                                                                                                                                                                                                                                                                                                                    | £50.00  |
